

HOMEWORK SKETCHES FOR MAJOR PROJECT	BELOW 1 point	EMERGING 2 points	MEETS 3 points	EXCEEDS 4 points
EFFORT All criteria must be met including required number of sketches, project/assignment specific criteria and any labeling required.	Less than required amount of sketches and/or submitted late Majority of criteria is missing	Some of the criteria is missing from the sketches/ More effort is needed	All sketches meet criteria and with more effort work might be excellent.	Effort beyond what was required and student takes pride in going beyond the sketch requirements.
CREATIVITY Exploration of ideas/Experimentation <u>Less than the required amount of sketches doesn't provide evidence for assessment.</u>	Sketches lack evidence of originality and creative problem solving.	More than one sketch shows evidence of original or creative thinking.	All sketches are original and show reasonable problem solving that meets expectations.	Explored several ideas, tried different combinations/ or changes to at least one idea. Demonstrates confidence in creative problem solving.
CRAFTSMANSHIP/SKILL/CONSISTENCY Quality of work <u>Less than the required amount of sketches doesn't provide evidence for assessment</u>	Sketches have below average craftsmanship/Work looks rushed	Craftsmanship needs improvement but student tried their best	With a little more effort sketches could be excellent but overall good craftsmanship is evident.	Outstanding exemplary sketches.
